Subject: Call w/ Chief of Border Patrol on America's Borders - Nov 21 @1:30pm EST

JINSA invites you to an exclusive National Leadership
conference call discussing

Securing America's Borders

Featuring:

Chief Carla Provost

Chief, U.S. Border Patrol and JINSA 2018 Homeland Security Program Participant

**Wednesday, November 21
1:30pm (EST)**

* Dial-in information will be provided upon RSVP

This call is open exclusively to past program participants and supporters of JINSA's National Leadership, which starts at an annual contribution of \$1,000. To find out more about our National Leadership, please contact (b) (6) at (b) (6) or call (b) (6).

In 2001, post 9/11, JINSA's Homeland Security Program was created for law enforcement personnel with a focus on the educational exchange of counterterrorism practices and strategies. The program is comprised of two components. The conference series allows JINSA to educate a large number of security personnel in the United States about best counterterrorism tactics. The program brings a select group of Chiefs and Sheriffs to Israel for an intensive 10-day exchange focusing on counterterrorism and terrorism response with the cooperation of the Israel National Police and other security agencies.

The Jewish Institute for National Security of America (JINSA) is dedicated to educating Congressional, military and civilian national security decision-makers on American defense and strategic interests, primarily in the Middle East, the cornerstone of which is a robust U.S.-Israeli security cooperation. JINSA believes that a strong American military and national security posture is the best guarantor of peace and the survival of our values and civilization.

Dear Carla,

Congratulations on your selection as a 2018 Presidential Rank Award honoree. This is an affirmation of your extraordinary contributions to the American taxpayer and your dedication to public service. Well done!

Your accomplishments will be recognized and celebrated at the Senior Executives Association's December 13th Presidential Rank Awards Leadership Summit, which will be held at the Mayflower Hotel in Washington, DC. This is *your* event and it will be the only government-wide recognition event for 2018 PRA honorees.

I invite you to register for the PRA Leadership Summit at the following website: www.PresidentialRankAwards.com

Registration is complementary for 2018 PRA honorees. The White House, the Office of Personnel Management, and your agency human resource offices have all approved your participation at the Summit.

When registering for the Summit, you will have a number of choices, including:

- Participating in the full day conference, which includes the recognition lunches and receptions, policy panels, and professional development training sessions.
- Participating on the policy panels. We will be reaching out to many of you so that you can share your success stories and achievements.
- Serving as a mentor to aspiring leaders during the Summit's flash mentoring sessions.
- Inviting family to the celebration events as your guests.

I am very much looking forward to joining with you and your peers to celebrate this year's Presidential Rank Award honorees. Please let me know if you have any questions or if I can be of service to you in any way.

Subject: PRD Briefing to C2

(b) (6), (b) (7)(C) – During a briefing this week on incentives, C2 requested a follow up briefing with USBP on our Personnel Requirement Determination (PRD). Our PRD expert, Chief Boatright, will be here in DC November 13-15. Would it be possible to calendar a briefing with C2 during that time? We would probably need an hour to give him the full brief on the tool which is a Congressional mandate.

Participants from USBP would be B1, B2, Chief Huffman, Chief Jerry B. Martin, Chief Boatright and myself.

I've CCed the adjutants to assist with coordination.

(b) (7)(E), (b) (5)

- Please see Attachment B for additional information.

- *Tents*

(b) (5)

- a. Next steps for Principal approval.*

IV. State Country Assessment (5 mins)

- When USCIS is considering a recommendation for TPS for any given country, they normally request a country assessment from State.
- The assessment essentially summarizes the conditions in country, whether tied to a natural disaster, armed conflict, or other, and whether those conditions warrant a designation, re-designation, extension, or termination of the program.

- a. *Overview of the product and potential use for USCIS and DOJ (State)*
- NOTE: DHS will not be asked to present for this section

V. Return to Territory (5 mins)

- Note that “Return to Territory” is now to be called “Remain in Mexico” (RIM).
- The United States continues to experience a high volume of aliens presenting themselves at ports of entry (POE) on the Southwest Border or entering illegally between the POEs and being released into the interior of the United States while they wait sometimes years for a final resolution on their case. To address this critical issue, the United States Government (USG) must develop a process by which the USG avoids having to either detain or release aliens into the U.S. interior and by which a reduction in illegal immigration can be expected.
- Under Section 235(b)(2)(C) of the Immigration and Nationality Act (INA), 8 U.S.C. § 1225(b)(2)(C), the Department of Homeland Security (DHS) is authorized to require an applicant for admission who arrives via land from Mexico or Canada, and who is subject to removal proceedings under section 240 of the INA, 8 U.S.C. § 1229a, to wait in contiguous territory from which he or she arrived (Mexico or Canada) pending a removal proceeding before an immigration judge (IJ).
- DHS and our interagency partners are actively working on operational and legal mechanisms for an imminent implementation of RIM.

a. *Operational Update (DOJ)*

- NOTE: DHS will not be asked to present for this section

Merit Based (5 mins)

I. Flores Reg Update and Timeline (DHS)

- DHS and HHS published a joint proposed rule on September 7, 2018. The rule proposes to amend regulations relating to the apprehension, processing, care, custody, and release of alien juveniles.
- As of Friday, November 16, DHS and HHS have received 96,886 public comments. Docket staff continues to process and upload additional comments.
- Nearly 100,000 in public comments is unprecedented for DHS. It is the highest number of public comments that DHS has received for any single rule since the Department’s creation in 2003.

II. H-1B Lotter Reg Update (DHS, OMB)

- USCIS has responded to the OMB passback and additional questions related to data, and is hoping to have OMB immediately conclude review of the NPRM.
- Once OMB clears, S1 will need to sign, and the Federal Register will have to expedite publishing of the rule in order to hit our target timelines.

IMMIGRATION DEPUTIES CALL – CONCERTINA WIRE ISSUE
Talking Points & Background

Two Main Talking Points

- (b) (7)(E), (b) (5)
-

Secretary's Waiver Authority

- The Secretary of Homeland Security may construct barriers and roads in the vicinity of the border to deter illegal crossings in areas of high illegal entry and may waive any legal requirements to ensure the expeditious construction of such barriers and roads constructed under this authority.
 - Section 102(a) of the Illegal Immigration Reform and Immigrant Responsibility Act (IIRIRA) authorizes the Secretary to construct barriers and roads in the vicinity of the border to deter illegal crossings in areas of high illegal entry.
 - Section 102(c) authorizes the Secretary to waive legal requirements to ensure the expeditious construction of such barriers and roads “under this section.”
- The § 102(c) waiver authority may be used only for border barrier construction projects conducted under DHS’s IIRIRA § 102 authority.
 - Section 102(c) limits the waiver authority only to “construction of the barriers and roads under this section.”
 - Moreover, § 102(a) provides that “[t]he Secretary of Homeland Security shall take such actions as may be necessary to install additional physical barriers and roads...” and § 102(b)(1)(A) provides that “the Secretary of Homeland Security shall construct. . . .”

- (b) (5)
